- ☐ If CD: Instructor examination (IE) concept for each level/course - ok & (e)mail to HQ

There is NO DIRECT CROSSOVER to IT/CD level from any other organization possible!

But it could help to shorten up period of time if candidate holds a CMAS M3***, also Instruction & training for IT level would be easier – depending on candidate's skills.

For new IT students (no IT certification from other organization)

- ☐ Instruction & training for IT levels / skills, theory & practice – ok & done by a CD.
