You should receive:

The screenshot shows a web browser window displaying the ProTec Scuba Training Program website. The browser's address bar shows the URL <http://www.protecdiver.com>. The website has a dark blue background with a central circular menu. The menu is divided into several colored segments representing different diving disciplines and specialties. The central part of the menu features the ProTec logo and the text "Dive Supervisor", "Instructor", and "Assistant Instructor".

MEMBERS LOGIN

Login for registered users

Confidential area for ProTec Professionals (Instructor/IT/CD & Dive Centre's) only. Use your ProTec Member-NUMBER to login (Example: ID=US-1234-I, **number only** = 1234)

User-ID-Number
Password:

New-registration / First time dive student who attended a ProTec course

(for new applicants only)

You are new to ProTec, – then please click here [+++ new Diver +++](#)

Diver already own a ProTec ID / hold a prior ProTec diver certification – then please click here [+++ Diver with Protec-ID +++](#)

INSTRUCTORS & CENTRES already having a ProTec Members ID, but no access to this Members Area please email us - do NOT register again at +++new...

If you like to join ProTec at professional level, please register here [+++ new Instructor +++](#)

Dive centre owners please go here for first time ProTec centre registration [+++ new Dive Center +++](#)

If you are already a member = you own a ProTec Instructor or IT / CD card, then you **login for registered users** – using your number & password – follow the instructions online (read text).

Every new Instructor should use 'FORGOT PSW' function for initial password. Please note that your password (psw) will be sent to your registered email addr when using the 'FORGOT YOUR PASSWORD?' button at members area login. All you have to do is to click this button and input your members data.

If you provide non or a wrong email addr at your frist registration, stored at your online profile, the system could not contact you by email, so you won't receive your password. In such case you have to verify for security. Send us(HQ) an email asking for your psw and add a good readable, detail copy of your passport and your ProTec card, so we could send your psw to your new email.

For login use only your number = numeric part of your ID, do not enter the full ID.

Example: If your ProTec member ID is “US-0815-I” then you input only “0815” for User-ID-Number.

If you are **new to ProTec**, just starting your dive course, so input your first data record at

+++new Diver+++.....if you attend any ProTec diver course for first time.

+++new Instructor+++.....if you attend an ProTec IDC, having NO former ProTec dive card ID

+++new dive centre+++.....if you want to register a new ProTec dive centre.
