

APPLICATION FORM for INSTRUCTOR TRAINER & COURSE DIRECTOR LEVEL

PREREQUISITES

- The applicant for IT and higher have to be already registered as an ProTec Advanced Scuba Instructor (use Instructor Application Checklist)
- For each IT status / level the proper dive skills must be already registered:
 - ✓ For Scuba IT adequate experience and ProTec membership as an Advanced Scuba Instructor is necessary
 - ✓ For Tec IT adequate experience and ProTec membership as an Scuba IT AND Tec Instructor is necessary (Example: For Nitrox Instructor Trainer sufficient Nitrox Instructor and Scuba IT experience is necessary)
 - ✓ For CD adequate experience and ProTec membership as an IT is necessary

Handling for any Instructor level certification is not part of this form and have to be explained in other standards & statements.

- Each IT/CD candidate muss checked by a ProTec Examiner for all ProTec internal & administration information as well as all Instructor training & evaluation course procedures done by IT/CD.
- Each IT must deploy an Instructor development (training) course (=IDC) concept to the HQ for each application level (Scuba, Nitrox, Trimix, Wreck, Cave, SCR, CCR,..)
- Each CD must deploy an Instructor examination (= IE) concept to the HQ for each application level (Scuba, Nitrox, Trimix, Wreck, Cave, SCR, CCR,..)

Every course concept must contain:

1. All theory class chapter & points
 2. All practice exercises with a short explanation of the dive place / environment
 3. A timetable down to single chapters
 4. The price for the students with explanation what is included and what not
- Letters of recommendation as an attachment
 - For IT Level from 1 CD
 - For first CD Level from 2 CD / +PCP (if exists)
 - IT/CD application form fully out filled (see next page)
 - HQ will check each case and OK from HQ is needed for every approval of application

AFTER AUTHORISATION

To keep skills, minimum number of students which have to be trained/examined per year:
For IT Level = 1 IDC, for CD Level = 3 IDC + 1 IE

The HQ reserves the right to withdraw any rights completely or downgrade levels.

All IDC & IE must be announced to HQ and each IE has to be permitted by HQ.

A ProTec CD is just an IT with skills for IE, but has NO automatic authorization to perform an IE.
